

## Reopening of changing rooms

Following the recent statement by the government regarding the “roadmap”

**The changing rooms will be reopened as from the 12.04.21.**

**Showers to remain closed until 17.05.21 at the earliest.**

The club policy is still to arrive at the club **“Ready to Sail”** However in certain circumstances this may not be feasible. Therefore, there will now be access to the changing rooms. (The toilets are already accessible)

Rather than using a tally system like last year, members are asked to be highly aware of other people’s movements to ensure Social distancing is maintained and observe the following.

- If the changing rooms appear busy, please wait outside until somebody leaves. Remember the 2-metre social distancing rule.
- If personal belongings are left in the changing rooms, please ensure they are all packed away in your sailing bag to avoid possible cross contamination. Ideally remove your bag to your car if possible.
- **Please sanitise changing Benches and contact surfaces prior to and after use** Sanitiser and tissues are available in changing rooms.
- **Please ensure the doors and windows are kept open.**

If at any time, you or any member of your party feels unwell or displays any symptoms of Covid 19 please leave the clubhouse immediately and return home for the safety of other members.

**Face coverings to be always worn within the clubhouse.**

The committee thanks all the members in advance for your co-operation.

Look forward to seeing you all on the water.

The committee
